I hereby certify that all land disturbing construction and associated activity pertaining to this site shall be accomplished pursuant to and in keeping with the terms and conditions of the approved plans. I also certify that a responsible person will be assigned to the project for day to day control. I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting *false information, including the possibility of fine and imprisonment for knowing violations*

(To be signed by a person who is financially responsible and/or who has the authority to ensure that the stormwater/erosion control plan is implemented. Design engineers may not sign here. Contractors should sign a Co-permittee Agreement)
